Subject: Vacancy on the City Commission

Experience:

I served on the City Commission from 1995 to 2007.

Vice Mayor from 1999 to 2001

Mayor from 2003 to 2005

The city's Comprehensive Plan 2020 for the future of Johnson City in the 21<sup>st</sup> Century is a detailed document I fully support. I've been asked by several citizens and friends to apply for the open seat on the commission. If there is any other information you need as you begin the process of selecting someone to fill the vacancy on the City Commission, I can be reached at:

I do feel that with my experience I would be a great asset to the City Commission
